Easter's Fun Facts

There's No One Like "MOM"

Spring Wedding Trends

Welcome to our first official Sunflower Farms "SunView" Newsletter. Here at Sunflower Farms we strive to keep our customers informed on the latest flowers, trends and colors of the season.

About Us

We are a family owned and operated business serving the industry since 1969. Our client base includes U.S.A., Canada, Mexico & the Caribbean Islands. We have over 100 years of combined sales experience and our decades of accumulated knowledge have established Sunflower Farms as one of the most recognizable names in the industry as a premier choice when it comes to providing the best with your floral needs.

Our Success

Long-standing relationships with select farms all over the world including but not limited to: Ecuador, Colombia, Holland, Guatemala, Chile & Peru enable us to offer over 150 + different varieties that meet stringent quality standards to ensure your complete satisfaction.

We believe that building up an honest, strong and long-term business relationship with our suppliers & customers is the only possible key to our success.

We thank you for putting your trust in us and we guarantee that we will put all our efforts toward your company's future success.

Easter Bunny's Fun Facts

popular easter flowers

Did you know...

A popular symbol of the Easter festival, the white lily is held as the traditional Easter Flower and represents love and hope.

Iris

The meaning of the Greek word iris means rainbow. The people of Egypt placed an iris flower on the brow of the Sphinx and on the scepter of the Egyptian kings which identified three leaves as symbols of valor, wisdom and faith.

Lilies

Also known as *Lilium* can grow up to 6 feet tall.

Some *Lilium* species are toxic to cats. Some lily bulbs are sweet and meaty and make very fair eating and can be used as a substitute to potato.

Tulips

The botanical name for tulips, *Tulipa*, is derived from the Turkish word "tulband" or "turban", which the flower resembles.

The Tulip is considered as the King of Bulbs.

Daffodils

Daffodils were brought to Britain by the Romans who thought that the sap from Daffodils had healing powers. Actually the sap contains crystals that can irritate the skin.

There's no one like MOM

Mother's Day, Muttertag, La Festa della Mamma, Mothering Sunday, Fête des Mères, Día de las Madres... it goes by many different names, but however you say it, the expression of love and appreciation is the same.
